

Due to conflicting schedule, we are not able to provide the Vaccine Clinic, here is list of links to various clinics throughout Clark County, Nevada

1. **Southern Nevada Health District (SNHD):** SNHD offers COVID-19 vaccinations for all Nevadans aged 6 months and older. The vaccines are safe, effective, and available at various locations throughout Clark County. You can find a vaccine clinic near you or make an appointment at an SNHD clinic [here](#). If you have any questions, you can also call 702-759-INFO (4636) from Monday to Friday, 8 a.m. to [4:30 p.m.](#)¹.
2. **Passport Health:** While Passport Health is known for travel medicine, they also provide vaccinations. Their Las Vegas clinic (located at 8766 S Maryland Pkwy Ste 104) offers vaccines, including COVID-19 vaccines. [You can check their hours and contact details here](#)².
3. **VCA Spring Mountain Animal Hospital:** Although primarily an animal hospital, VCA Spring Mountain also provides vaccinations. They're open on Saturdays from 8 a.m. to 12 p.m. [You can find them at 5590 W Spring Mountain Road](#)³.
4. **West Charleston Animal Hospital:** For trusted care for dogs and cats, West Charleston Animal Hospital is a great option. [They offer vaccinations and are open from Monday to Saturday at 7891 W Charleston Blvd](#)⁴.
5. **Flamingo Pet Clinic:** [If you're looking for a full-service veterinary clinic, Flamingo Pet Clinic \(2675 E Flamingo Rd Ste 1\) provides medical and surgical care for various pets, including dogs, cats, birds, reptiles, and rabbits](#)⁵.

Remember, getting vaccinated not only protects you but also contributes to community health. If you have any specific requirements or need assistance, feel free to explore these options or check other resources like [Immunize Nevada](#), [HHS.gov](#), or [Vaccines.gov](#). Stay safe and take care! ☺★
